

WOMEN WITH ONE VOICE GRANT GUIDELINES

Women With One Voice (VOICE) grants funds to support new or ongoing programs that benefit women and girls. Generally, Voice supports programs and activities that:

- Focus on health or education of women and girls
- Provide gender-specific solutions to problems facing women and girls
- Expand choices and opportunities for women and girls
- Are lead by women or foster women's leadership
- Effect long term and positive roles for women and girls
- Provide programs for girls with learning or physical disabilities
- Provide programs that build self-esteem through sports, physical fitness or other means

In addition to the program characteristics outlined above, grants will also be made from *Julie's Fund*, an endowed fund created in honor of our former President, Julie Geis, who lost her life in the terrorist attacks on the World Trade Center on September 11. *Julie's Fund* specifically funds programs involving the benefits of sports and physical fitness for women and girls or programs for girls with special needs.

The following additional criteria will be considered in the grant making process:

- The program is designed specifically for women and/or girls
- Geographic area served is within the Kansas City metro area
- Evaluation tools are in place to measure the success of the program
- Overall effectiveness of the program
- Inclusiveness and diversity of participants, staff, and volunteers

We anticipate that all grants will fall in the range of \$1,000 to \$7,000. (Last year the highest grant awarded was \$5,000.)

VOICE will not fund individuals, government agencies, religious organizations for religious purposes or activities, capital fund drives, or political parties or candidates.

The grants awarded will be funded in November.

Applications should be mailed to Women With One Voice, P.O. Box 2165 Lee's Summit, MO 64063.

Applications must be postmarked by or on September 30.
